

LIGHT DUTY AUTO PARTS

NON-MANDATORY FOR STATE AGENCIES
AVAILABLE TO POLITICAL SUBDIVISIONS

NASPO ValuePoint leverages the buying power of all 50 states to offer exceptional pricing for participating states and their political subdivisions. Alaska is an active member of NASPO ValuePoint. In order to use a contract, the state must sign a Participating Addendum (PA).

The State of Alaska has signed PA's with the vendor's listed below as non-mandatory contracts for Auto Parts.

Placing Orders: Agencies can get quotes and place orders through the individual NAPA and Factory Motor Parts stores listed below.

To receive the contract discount, make sure to include the NASPO or state contract number listed below when obtaining quotes and placing orders.

The original RFP's and complete contract terms and conditions can be found on the NASPO ValuePoint website:

The category descriptions and discounts are found on the following page, and detail the discount an organization would receive.
