Contact an Authorized Dealer to:

- Determine if the Product needed is covered under this contract.
- Inquire about eligible Multiple Unit Discounts (MUD) of 3 or more units on same order.
- Configure the basic unit with additional attachments/implements to meet the user's needs; and,
- Obtain a written quote that must include the contract number, the Manufacturer's List Price less the percentage of discount, the effective date of the Manufacturer's List Price and delivery date.

Freight: Deliveries to NASPO participating entities in Alaska, factory freight to the delivering dealer will be paid by the end-user. Factory freight is known at the time of quoting and will be included on the quote to the end-user. Deere & Company proposes the authorized dealer can charge an optional transportation fee of \$8.00 per loaded mile. If charged, this fee must be agreed to by the end-user and dealer and must appear as a separate line item on the quote. Google Maps would be used to calculate mileage.
