

## **MEDICAL SUPPLIES (INCLUDES BREAST PUMPS)**

**NON-MANDATORY FOR STATE AGENCIES**

**AVAILABLE FOR POLITICAL SUBDIVISIONS**

MMCAP Infuse leverages the buying power of all 50 states to offer exceptional pricing for participating states and their political subdivisions. Alaska is an active member of MMCAP Infuse. To use a contract, the state must sign a Member Participating Addendum (MPA).

The State of Alaska has signed MPA's with the vendor's listed below as non-mandatory contracts for the purchase of Medical Supplies, equipment and other non-pharmacy products.

Each facility that wishes to use these contracts will need to register with MMCAP Infuse and receive a MMCAP Infuse Member ID number before use can begin.

For information on how to do this, contact:
