

## CONDOMS

**NON-MANDATORY FOR STATE AGENCIES**

**AVAILABLE FOR POLITICAL SUBDIVISIONS**

MMCAP Infuse leverages the buying power of all 50 states to offer exceptional pricing for participating states and their political subdivision. Alaska is an active member of MMCAP Infuse. To use a contract, the state must sign a Member Participating Addendum (MPA).

The State of Alaska has signed MPA's with the three vendors listed below as non-mandatory contracts for the purchase of Condoms.

Each facility that wishes to use these contracts will need to register with MMCAP Infuse and receive a MMCAP Infuse Member ID number before use can begin.

For information on how to do this or for any additional information regarding these contracts, contact:
