

## DRUG TESTING PRODUCTS & SERVICES

### NON-MANDATORY FOR STATE AGENCIES

### AVAILABLE FOR POLITICAL SUBDIVISIONS

MMCAP leverages the buying power of all 50 states to offer exceptional pricing for participating states and their political subdivision. Alaska is an active member of MMCAP. To use a contract, the state must sign a Member Participating Addendum (MPA).

The State of Alaska has signed MPA's with the vendor's listed below as non-mandatory contracts for the purchase of Drug Testing Products and Services. Each facility that wishes to use these contracts will need to register with MMCAP and receive a MMCAP Member ID number before use can begin. For information on how to do this, contact:
