

A QUICK GUIDE TO PREFERENCES FOR STATE OF ALASKA CONTRACTS

Several preferences apply to all State of Alaska procurements, regardless of their dollar value, except when restricted by federal regulations. **The Alaska Bidder, Veteran, and Offeror preferences** are the three most common preferences involved in the State of Alaska procurement process.

ALASKA BIDDER PREFERENCE (AS 36.30.321 (a))

A contract award is made to the lowest responsive and responsible bidder after applying the 5% bidder preference. An "Alaska bidder" means a bidder/offeror that:

- holds a current Alaska business license;
- has maintained a place of business within the state staffed by the bidder or an employee of the bidder for a period of six months immediately preceding the bid date; AND, if the bidder is a:
 - CORPORATION, is incorporated in Alaska or is otherwise qualified to do business under the laws of the state.
 - SOLE PROPRIETORSHIP, the proprietor must be a resident of the state.
 - LIMITED LIABILITY COMPANY, organized under AS 10.50, all members must be residents of the state.
 - PARTNERSHIP, under AS 32.05, 32.06, or 32.11, all partners must be residents of the state.
 - JOINT VENTURE, the joint venture must be composed entirely of ventures that qualify as Alaska bidders.

ALASKA VETERAN PREFERENCE (AS 36.30.321 (f))

A contract award is made to the lowest responsive and responsible bidder after applying the 5% / \$5,000 MAX veteran preference. An "Alaska veteran" means a bidder/offeror that qualifies under AS 36.30.321 (a) as an Alaska bidder and is a:

- CORPORATION, is wholly owned by individuals, and a majority of the individuals are Alaska veterans.
- SOLE PROPRIETORSHIP, is owned by an Alaska veteran.
- LIMITED LIABILITY COMPANY, organized under AS 10.50, a majority of the members are Alaska veterans.
- PARTNERSHIP, under AS 32.06 OR 32.11, and a majority of the partners are Alaska veterans.

ALASKA OFFEROR'S PREFERENCE (2 AAC 12.260 (e))

In some circumstances, supplies and services are obtained through the use of a Request for Proposals (RFP). Responses to RFPs are usually evaluated using numerical rating systems that consider cost and other factors. When an RFP is used, vendors that qualify for the Alaska bidder preference will also receive an additional 10% of the available evaluation points.

NOTE: The application of preferences is for evaluation purposes only. The vendor is still paid the full price identified in their bid/offer for the goods or services rendered.

Additional preferences are listed on the back of this page, with excerpts from the relevant statutes and codes.
